Final Note by the First Member of Council.

Subject:—

Bill to amend clause (b) of Article 12 of Schedule 1 of the Mysore Stamp Regulation, 1900.

18. In the Representative Assembly meeting for 1912, the members proposed that impressed stamp papers for writing hundi may, as in Bombay and Madras, be manufactured and issued here While considering that proposal, it was noticed that the British Indian rates on hundis payable otherwise than on demand are 50 per cent more than the rates here. The difference in the rates does not affect the negotiability in British India of any hundi drawn in Mysore and stamped in accordance with our Regulation. But there is no reason why we should keep our rates lower. I think we may have the same rates here though the additional revenue may not be much.

19. The question was discussed in the Council and it was resolved that the Bill may be approved. If sanctioned, it will be placed before the Legislative Council.
